3. You'll be receiving an email on logging into your admin dashboard and complete your purchase on the listing packages.

4. You are all set! You can start to edit your profile and upload your projects and start receiving enquiries from your potential customers.

Note* You may also read up on our FAQ and Terms & Conditions incorporated herein to understand our operation better.

If in any circumstances that you are still in doubt, we do have a support team to further assist you with your queries. Please drop us an email at info@rhinosite.com.my or call us at 016-303 1808.

Category Management

"Listing Category" – Our fellow contractors are listed according to their area of services/ specialty. For example, flooring, painting, wiring, gate, alarm & security etc. Your company details, past projects and other accreditations will also be displayed & available to create a transparent & time-efficient process for the end users.
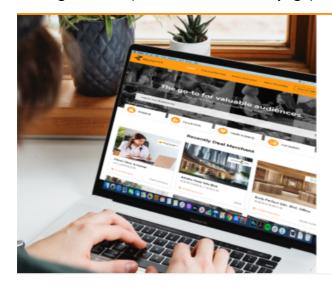

"Category Bump" – Contractors are able to bump up their company's listing to the first top 3 listing in first page of the Listing Category. There are three (3) Category Bump slots available each week, so book and secure your slots in advance! Click here

"Category Highlight" – In addition to the above, Category highlight allows contractors to move up their company listing onto the first page of the Listing Category. However, do keep in mind that therse Category Highlights are arranged in random sequence (unlike the Category Bump). Similarly, there are three (3) Category Highlights slots available each week, so book and secure your slots as well! Click here

"Banner Advertisement" – Banner Advertisement allows Contractors to advertise their company and services on Rhinosite to increase their visibility. There are eight (8) slots available each week, so book and secure your slots as soon as possible! Click here
